GLEN AVON
BIBLE
READING
PROJECT
January 2007

From January 2004 through December 2006, members and friends of the Glen Avon Presbyterian Church spent three years reading through the Bible.

Beginning in January 2007, we began our second three-year cycle.

The readings are divided so that we can complete the Bible during this three-year period.

A reading from the Psalms and the New Testament are provided for each morning.

A reading from the Psalms and the Old Testament are provided for each evening.

We will read through the psalms—the hymnbook of scripture—three times each year.

We hope you enjoy this opportunity to share in listening for God's word together as God's people!
