GLEN AVON
BIBLE
READING
PROJECT
January 2008

In January 2007, Glen Avon Presbyterian Church began a 3-year-long project of reading through the Bible.

We invite members and friends of the Glen Avon to join us in this effort.

The readings are divided so that we can complete the Bible during this three-year period. A reading from the psalms and the New Testament are provided for each morning. A reading from the psalms and the Old Testament are provided for each evening. We will read through the psalms—the hymnbook of scripture— three times each year.

We hope you enjoy this opportunity to share in listening for God's word together as a congregation!
